

Gluten-Free

After receiving our first "gluten-free" guests we looked into Celiac disease a bit more. You can now enjoy a gluten-free holiday at Casa Cantiga.

We provide a gluten-free box with the following contents: colander, frying pan, synthetic breadboard, Spatulas, toaster, bread knife, new cloths, dishwashing brush, and sponges.

Also upon your arrival your kitchen will be extra thoroughly cleaned and all the dishes washed in the dishwasher.

From the choice of our apartments, Casinha Canção has an oven available in which you can bake pizzas or bread.

When joining in our shared meals (barbecue and pizza evenings), we also consider your diet.

In the immediate vicinity are several shops where you can buy gluten-free products by, among others, the mark Schar.

Products such as roles (ready to bake), biscuits, pizza bottom, crackers, cereals, pasta...
